

Koehler
RENEWABLE ENERGY

Meet the Developer Tarvie Wind Farm

Where?

Contin Community Trust,
Contin,
Strathpeffer IV14 9ES.

When?

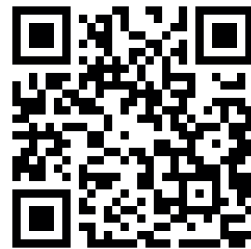

Thursday 7th November,
between 4pm and 7pm

Why?

Koehler Renewable Energy UK Limited is developing proposals for a wind farm on land south of the A835, approximately 12.2km west of Dingwall, 6.0km west of Strathpeffer and 3.7km northwest of Contin that would have 11 turbines, with a 200m tip height and 30MW battery energy storage system (BESS).

This informal event is to provide an introduction to our team ahead of future consultation events to be held later in 2025.

Community Benefit Ideas

Community benefits are voluntary initiatives and, as such, are not a material consideration in the planning process. Our application will be assessed against the provisions in Scottish Planning Policy, the local authority's development plan, and any other material considerations.

Likewise, contributing to discussion on community benefits does not affect an individual's, community's or organisation's right to express a view on our proposals, or to support or object to these.
